Reference: Amended Year End Report (10/01/07-12/31/07)

To Whom It May Concern:

This letter is in response to the notification our committee received regarding the above referenced report.  
Please see below for our complete response.

The Form 3Z-1 contained in the above referenced report accurately reports all of the activity for the Primary election in the 2008 cycle. There was some activity for the 2006 general election that fell within the date range for the 2008 cycle and therefore has been reported during this cycle. But, they were clearly identified as 2006 activity. We have researched and confirmed that the numbers on this 3Z-1 are all accurate.

We trust that this response clarifies our report and completes the public record. Should any further information be needed, please contact us.

Thank you,

Gingrey for Congress
